### QUESTION 1

In its Article 9 the GDPR categorizes some types of personal data as "sensitive".

Of these below which are considered sensitive?

- A. Date of birth of a person.
- B. A person's home address.
- C. Soccer team that a person supports.
- D. Result of a medical examination.

Correct Answer: D

As stated in the statement, Article 9 concerns the treatment of special categories of personal data, also called sensitive data.

This is a type of question that is often asked by EXIN. Important to remember which types of data are categorized as sensitive.

Article 9: Processing of special categories of personal data

1. Processing of personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation shall be prohibited.

Examples of sensitive data: Race, skin color, family tree, political party, political party affiliation, religious beliefs, illness, test results, digital, facial recognition and sexual preference. These are just a few examples.

---

### QUESTION 2

According to the GDPR, what is the main reason to consider data protection in the initial design phase?

- A. It ensures efficiency in project phases
- B. It ensures privacy by default
- C. It reduces the risk of fraud
- D. It reduces the risk of liability

Correct Answer: B

---

### QUESTION 3

According to the GDPR, what is a mandatory topic in a DPIA report?

- A. Systematic description of the fiduciary duties to ensure compliance to all relevant laws and regulations

- B. An assessment of the necessity and proportionality of the processing operations in relation to the purposes
- C. The documentation of the risks to the rights and freedoms of the data protection officer
- D. The measures envisaged to address the privacy compliance frameworks risks

Correct Answer: B

---

#### QUESTION 4

The General Data Protection Regulation (GDPR) in its Article 30 legislates on the Records of treatment activities.

If requested, the controller must provide these records:

- A. To the data processor
- B. To the Data Protection Officer (DPO)
- C. The supervisory authority
- D. To the European Commission

Correct Answer: C

Article 30 in its first paragraph legislates:

1. Each controller and, where applicable, the controller's representative, shall maintain a record of processing activities under its responsibility.

Recital 82 mentions:

In order to demonstrate compliance with this Regulation, the controller or processor should maintain records of processing activities under its responsibility. Each controller and processor should be obliged to cooperate with the supervisory authority and make those records, on request, available to it, so that it might serve for monitoring those processing operations.

---

#### QUESTION 5

Which of the parts below can implement data protection by design (from conception)?

- A. The data subject.
- B. The Data Protection Officer (DPO).
- C. The processor.
- D. The supervisory authority.

Correct Answer: C

It is the duty of the processor to guarantee security in the treatment of the data entrusted to it by the controller.
